2. The probable number of medals that may be required is about 40.

3. A deposit of Rs. 100 shall be paid with each tender. It must be paid into any Mysore Government Treasury towards University Fund and the Treasury receipt attached to the tender.

4. The tender should be enclosed in a sealed cover addressed to the Registrar, University of Mysore, and superscribed "Tender for Medals" and should be sent so that it may reach the Registrar not later than 20th August 1948.

5. The name of the successful tenderer will be intimated in due course and will be required to execute an agreement undertaking to supply the medals according to specification within the time to be fixed by the Registrar of the University: his deposit will not be returned, but adjusted against the dues to him. If the successful tenderer fails to execute the agreement within the time specified, he shall forfeit the deposit and the Registrar will proceed to make a further selection from among the other tenderers or make other arrangements.

6. The deposits of the unsuccessful tenderers will be returned.

7. The Registrar of the University reserves to himself the right of accepting or rejecting any tender without assigning any reason.

8. Samples of medals and cases are available for inspection at the University Office, Mysore.

6. A tentative list of medals to be prepared will be supplied on requisition.

10. The medals will be tested in the University laborotories and this test will be final and binding on the supplier. Payment will be regulated on the basis of cost of gold of 22 carat fineness (which will be the tendered rate) and proportionately reduced based on the laboratory test.

Further instructions regarding the preparation of Medals will be intimated while placing orders with the accepted tenderer.

113 D. S GORDON, *Registrar.*

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

(a) Operated by hand, or alternatively. (b) Electrically operated by a 50 cycles, three phase, 220 volt, electric motor.	One
II.	Same as above, but of 15 tons capacity. (a) Operated by hand, or alternatively. (b) Electrically operated by a 50 cycles, three phase, 220 volt, electric motor.	One

Full description such as name of manufacturer should be specified and illustrated pamphlets should accompany the tender.

The suppliers should quote their best rates for delivery F. O. R. Bangalore/Bhadravati and also state if delivery can be effected from ready stock. If not available from stock, the earliest delivery period may be furnished. The rate should hold good for a period of 15 days from the due date of tender and no enhancement of rate will be granted for any cause whatsoever after acceptance and the order is placed within this period.

The Chief Electrical Engineer does not bind himself to accept the lowest and can reject any tender. He also reserves to himself the right to accept any tender at his discretion.

The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellation of the order and forfeiture of the earnest money.

Supply on this order will be subject to the general conditions of contract prevailing in the department for local purchases.

The tender should be superscribed as 'Tender for Lift Blocks or Hoists to be opened on 28th August 1948'.

83
